Our Vision

To be the most sought-after contractor for difficult projects in which meeting the challenges of execution, safety, and schedule set us apart from our competition.

Our Mission

Indiana is committed to building long-term relationships based on integrity, performance, value, and client satisfaction.

Our Values

Quality – We are committed to providing the highest quality services to our clients and to add value to their investment.

Safety – Safety is a moral obligation. Our goal is to attain a zero-incident frequency.

Value – We treat “our Clients business as our business” by providing value for money and obtaining the most competitive pricing.

Honesty – We do what we say. We are always honest, truthful and conduct ourselves & Integrity with integrity.

Teamwork – We actively promote teamwork and expect each person to take responsibility for their work, and treat colleagues with respect.

Professionalism – We conduct ourselves in a manner of which we are proud; as individuals, & Excellence and as representatives of our Company and industry.

With over 25 years of experience in construction of Diaphragm Walls, Pile Foundations, Ground Anchors, Marine Structures and Geo technical Investigations.
